MSCU Prospective Family Interview

Please take the time to share a thoughtful paragraph or more responding to each of the following questions. If you need more space, feel free to attach additional sheets of paper.

1. **What are you looking for in a school program for your child's age level?**

2. **What draws you to Montessori as an educational approach for your child, and why do you feel that MSCU is a good fit for your family?**

3. **In what specific ways do you hope your child will grow and change through attending MSCU?**

4. **What do you believe your role is as a parent in your child's education, particularly when your child encounters challenges?**

5. **What do you believe a commitment to the larger school community looks like in action?**
