A celebration of life is a wonderful way to celebrate a birthday by honoring a child's life and accomplishments. If possible, please find a picture for each year of their life and write a short life story to be brought in to school for this celebration (the photos will be returned). The following is a sample life story. We ask that you let your child participate in selecting pictures and writing his or her life story for this celebration.

The birthday celebration is done during opening circle. You are welcome to join your child's celebration by reading your child's story as they carry a globe and walk around a sun that is placed in the middle of the circle. If you are unable to attend, a teacher will read it. In either case, thank you for your help in making your child's celebration a meaningful and memorable event.
